## Product Guidelines and Limitations

Vendors can only sell what has been approved by the festival. The other side of this is vendors cannot give away any item. So food vendors can't give away merch (t-shirts, hats, etc.) and merch vendors can't give away food and water. If there is an item that we cannot permit, we will notify you before you sign the contract and pay your fees.

Vendors **may sell bottled beverages purchased from the festival** (e.g., water, soda, etc.) excluding alcohol. The price point will be the same as festival-run locations. If approved to sell non-alcoholic, fresh coffee, tea, juices, smoothies, etc., beverages must be served in a cup.

Vendors may not sell any item with the Bunbury logo. Additionally, vendors may not sell any item with the name or image of any act performing at the festival. Drug paraphernalia, tobacco products, weapons or studded jewelry of any kind is also prohibited.

## Food Vendors

Vendors will be allowed to offer 3-5 individually priced and unique items. Food items should allow for quick preparation in order to accommodate the large crowds. The festival's goal is great food and service at a reasonable price.

- Rolled roofing must be placed under all food booths. In addition, plywood and roll roofing must be placed under all grills, cooking equipment and grease/gray water containers.
- Vendors are responsible for transporting grease, coals, and grey water to the pre-determined disposal site.
- Cleaning of cooking equipment is to be done off site.
- Cooking vendors must provide their own fire extinguisher approved by the Fire Department.
